

In order to fight against the spread of Corona virus, CYSD has initiated the following measures:

- ☞ Regular interaction with the CBOs/ CRPs/ PRI representatives through WhatsApp/ telephone call to know about the ground realities.
- ☞ Sharing of detailed information with the block and district administration about the migrants - where are they now, their contact details and if they are facing any problem
- ☞ Identifying the vulnerable people including women especially widows/ single person in the family, children, the older ones, people with disability, the landless, people primarily depending on collection of NTFPs for their livelihood etc.; and their problems
- ☞ Volunteer mobilization and engaging them with the CRPs/ CBOs/ PRIs in sensitizing people on personal health and hygiene practices, social distancing preparation of quarantine homes and managing community kitchen during lockdown period.
- ☞ Distribution of soap at household level for hand washing in its operational area. In addition, the organization has also been sensitizing people on Covid-19 through mediums like distribution of IEC materials and audio-visual messages through social media.
- ☞ Active participation in GO-NGO coordination meetings organized at the block/level and sharing the updates on our actions and listening to them regarding what they are expecting from us.
- ☞ Active involvement at the State and national level supplementing their efforts to address the challenges owing to Covid –19.
